

Fan (Nils) Yang, Ph.D

Bldg. 10, Rm. B1D-723A, 10 Center Drive, Bethesda, MD 20892
Email: nilsyang106@gmail.com
Permanent Resident (Green Card)

Phone: 267-815-8421
Website: nilsyang.github.io

Employment

2023.01 - present Research Fellow, NINDS, NIH. Advisor: Jeff Duyn.
2021.05 - 2022.12 Postdoctoral Fellow, University of Maryland, Baltimore. Advisor: Ze Wang.
2018.12 - 2021.02 Postdoctoral Fellow, Georgetown University. Advisor: Xiong Jiang.

Education

2015.12 - 2018.11 Visiting Ph.D. Student, Department of Neurology & Center for Functional Neuroimaging, University of Pennsylvania. Advisor: Hengyi Rao & John Detre.
2014.09 - 2018.06 Ph.D., Cognitive Neuroscience, Sun Yat-Sen University (SYSU), Guangzhou, China. Advisor: Hengyi Rao.
2011.09 - 2014.06 M.S., Biological Psychology, Capital Normal University, Beijing, China
2006.09 - 2010.06 B.S., Chemistry & Clinical Psychology, Southwest University, Chongqing, China

Additional Training & Certificates

2023 Scientist Teaching Science (9-week online course). Instructor: Nik Barkauskas
2018 Summer School in Computational Sensory-Motor Neuroscience (CoSMo).
 Coordinators: Drs. Gunnar Blohm, Paul Schrater, & Konrad Körding
2013 Level 2 Psychological Counselor, National Vocational Qualification of China
2010 Teacher Qualification Certificate for high school, Ministry of Education, China

Science Communication & Outreach

2014 - present Science communication on Zhihu (zhihu.com), a Chinese knowledge-sharing platform: sleep, neuroscience, and research methods for a general audience; 181,401 followers as of August 2026.

Representative Media Coverage

Too little sleep may jeopardize young kids' development, study finds. *The Washington Post* <https://www.washingtonpost.com/health/2022/08/09/sleep-children-brain-development/>
Children's sleep linked to brain development. *NIH Research Matters* <https://www.nih.gov/news-events/nih-research-matters/childrens-sleep-linked-brain-development>

Grant Activity

2026 NIH K01 application submitted June 2026

Honors, Awards & Fellowships

2024 Trainee Merit Award, Sleep Meeting 2024
2023 - 2025 Performance Award, NINDS
2018 Fellowship, Summer School in Computational Sensory-Motor Neuroscience
2015 International Program Fellowship for Ph.D. Candidates, SYSU
2013 Postgraduate Research Fellowship, Capital Normal University

Editorial Service

Ad Hoc Reviewer

BMC Neuroscience; Drug and Alcohol Dependence; Frontiers in Human Neuroscience; Frontiers in Neurology; Frontiers in Neuroimaging; Human Brain Mapping; Journal of Magnetic Resonance Imaging; Network Neuroscience; SLEEP; Psychological Medicine; Scientific Reports; Imaging Neuroscience; The Lancet Child & Adolescent Health; Sleep Medicine Reviews; PNAS.

Reviewing editor

Editorial Board of Neuroimaging for Cognitive Neuroscience, Frontiers in Neuroimaging

Teaching

2015 Teaching Assistant, Cognitive Psychology (in English), SYSU
2015 Teaching Assistant, Ecological Psychology, SYSU
2014 Teaching Assistant, Experimental Psychology (in English), SYSU

Mentoring

2023 - 2024 Co-mentor, NIH Postbaccalaureate Intramural Research Training Award (IRTA)
Mentee: Hadar B. Halivni, BA.
2019 - 2021 Co-mentor, Ph.D. candidate in Interdisciplinary Program in Neuroscience (IPN)
Mentee: Neke Nosor, MS.
2018 - 2021 Co-mentor, Ph.D. candidate in Interdisciplinary Program in Neuroscience (IPN)
Mentee: Shiva Hassanzadeh-Behbahani, BA.

Invited Talks & Conference Talks

2025.06 Increased intra-thalamic and thalamo-cortical functional connections during fMRI of human REM sleep, OHBM 2025.
2024.06 Reproducible, data-driven characterization of sleep based on whole-night fMRI. SLEEP Meeting 2024.
2022.08 Effects of sleep duration on neurocognitive development in U.S. early adolescents. Public science talk, University of Maryland, Baltimore.
2022.07 Adolescents' sleep, brain, and behavior. NIAAA, Laboratory of Neuroimaging.
2022.06 Effects of sleep duration on neurocognitive development in U.S. early adolescents. NINDS, Laboratory of Functional and Molecular Imaging.

Professional Affiliations

Organization for Human Brain Mapping, Society for Neuroscience, Sleep Research Society, Sigma Xi

Publications

Manuscripts under review or in preparation (including 3 first-author papers)
